

**The following are the questions and answers regarding SRTA RFQ #48499-08-00004 Public Education/Outreach Consulting Services.**

- 1. Will the firm or firms on the selected team be precluded from working on any future PPI project?**

**No, to the extent that such future project present no conflicts of interest or other reasoning for disqualification which cannot be known at this time.**

- 2. Can you elaborate on the magnitude of the project, ex. budget and time length?**

**To be Determined. Will be developed at Task Order Negotiation.**

- 3. Reference: Section B. Experience and Qualifications (page 5 of the RFQ). If the offerer includes a prime consultant firm and various sub-consultants, can Section B requirements be interpreted to mean “the team’s experience?”**

**To the extent that a sub-consultant is proposed as necessary for the prime offeror’s services to SRTA, and the submitted statement of qualifications clearly identifies experience and qualifications information as that of the sub, the reviewers will consider the information “team” experience. However, an offeror that provides experience and qualifications of subs is subject to disqualification should the exact proposed sub/personnel not be available in subsequent selection phases or for actual contract.**

- 4. Reference: Section A. Description and Resources of Firm (page 5 of the RFQ). If the offerer includes a prime consultant firm and various sub-consultants, should all firms provide information in subsections A1-A9?**

**The prime should provide the submittal and include any necessary sub information as described in answer to question 3.**

- 5. Reference: Exhibit A (page 7 of the RFQ). Do the sub-consultants also need to sign and notarize exhibit “A”, Certification Form?**

**The submitting prime is the required certifier.**

- 6. Under section 3. Selection Process, the RFQ states: The Offeror shall have completed at least two (2) campaigns of public education/outreach of similar size and complexity with demonstrated success.**

**How do you define “of similar size?” Are there financial/budget or other parameters we should consider when sharing campaigns of similar size?**

**Campaigns of similar size relates to community impact for a start up toll road or a HOV to HOT conversion.**
